

Apply, oh Lord, Thy healing grace in me that I may gain eyes that can see Thy glory as well as Thine eyes can see me.

Maintain the grace filled heart I need to follow Thee with a joyful heart and loving harmony according to Thy Will.

Enter into my heart, cleanse my mind of all fears and temptations, aid my soul to remain faithful to Thy Will, Lord Jesus.

Nurture me with Thy Living Grace, that I in Thee may find a quiet place in which I may praise Thee throughout all eternity.
