

Adonal Thy love has lifted me into the highest of highs, for by Thy Redeeming Grace, Thou has vouchsafed my existence before Thy Heavenly Father

Make of me Lord Jesus a vessel of Thy design oh Lord Jesus and rendered me among Thy heavenly hosts an eternal heir to heaven with Thee.

Enter me in the book of life as one who sought out Thy Will in all I say and do, enter me in the column pertaining to those who follow Thy Will.

Negate any tendencies I may entertain in abeyance of Thy Will, so that among the angels I may in eternal life glorify Thy Holy and Omnipotent Name..
