

Almighty God, understanding my weaknesses, Thou hast taken the steps necessary to ensure that I have the ability to choose between Perdition's nets and Thy Healing and Redeeming Grace,

Mentor me, take me under Thy wing oh Son of God, teach me all I need to learn to enter the gates of heaven with Thee, for I am capable of nothing without Thy Holy and Redeeming Grace.

Enter me in Thy Heavenly Book of life, insure my soul with Thy healing and blessed touch so that I am empowered to do Thy omnipotent Will in all I say and do

Now oh Lord, My Loving God, to Thee I humbly plea, let not me or my seed fall on rocky ground, let us healthily grow on fertile soil so we may grow to please Thee according to Thy Holy Will.
