

Almighty Lord Jesus. Jesus take the tiller of the ship that is my life, for without Thy guidance I shall surely founder.

Master navigate through the shoals of Perdition on my behalf, for without Thy guidance I shall surely sink

Encompass me with Thy angels and guide me on Thy way for being left to my own devices I shall be truly lost.

Navigate the stormy seas that are found within my life that wind tossed amongst temptation's shoals I shall not be, for without Thee I shall sink beneath the sea.
