

Almighty God, my Creator, great is Thy wisdom, mighty are Thy works and fortunate are those who are called to Thy supper and accept Thy gracious call.

My God, Thou who's Mighty Word created all that came into existence, both visible and invisible, I call on Thee, come and take control of my life for Thou art perfection itself.

Each day oh Lord Jesus, I plea come and reside within my heart, mind and soul to insure that I am guided by Thy omnipotent Will, for only Thou art perfect.

Nurture me with Thy Redeeming Grace and Thy Holy Word, abide within me and grant me everlasting life in heaven with Thy saints, angels, Holy Spirit and Son Jesus.
