

Almighty God, Thou has set the rules that create family unity, created the gift of grace that enables us to gain strength, the gift of grace that redeems us and the gift of grace that grants us both spiritual and physical health, with us in mind.

Make of us a loving family, grant us Thy forgiveness as we forgive each other for our faults, for we all have many faults, grant us Thy redeeming grace that we may be found pleasing in Thy sight and let us not fall into temptation's grasp..

Employ each of us in Thy service oh God, help us to always act in accordance with Thy omnipotent Will, and when we falter, grant us the grace and power to continue living according to Thy Divine Omnipresent Will.

Nurture us with the milk of Thy omnipresent love, guide us with Thy omniperfect Will, for there is nothing that Thou cannot do, these things we ask of Thee.for Thou art the Creator of all that exists and nothing compares to Thee.
