

A Almighty God, I can not reach into the past and correct it, nor can I control the future, aid me instead to improve my present in Thy eyes.

Mend my ways oh Lord that my deeds prove to glorify Thee in all that I do, for Thy way is narrow, Thy path straight and Thy creations both visible and invisible glorious.

Employ me in Thy service Lord, aid me to leave the past behind, my memories can hamper my ability to be wholly Thine, take control of my life, make me wholly Thine.

Nurture me in Thy Word as I journey through this life, make of me what Thy will in accordance with Thy divine plan, keep me focused on that which is Thy plan for me, grant me Thy favor I plea.
