

Always remember that God so loved you that he even counted the hairs on your head,
Mighty is the God I serve for He has created all that exists, and there is nothing that exists on
it's own.

Enter into my heart, mind and soul oh God, take command of my life I plea, keep me faithful
unto Thee.

Nurture me with Thy Word , oh Lord God for then I shall not stray, fill me with Thy grace every
day.
