

**E**very breath of our existence comes of Thy sufferance, the gift of eternal life came because Thou hast suffered and died in our place for our iniquities and in Thy glorious resurrection Thou reconciled us with Thy Father.

**M**erciful Father, our Creator blest, even when we were yet in the camp of the iniquitous one, Thy Will provided a resolution to the alienation of mankind through Thy Son, Jesus Christ, the Lamb for sinners slain.

**M**y Lord, God of creation, Thy omnipotent Love was such that Thou allowed Thy son to be born as man live as an ordinary human, die for our transgressions and rise from the dead in glory garnering for us the grace of redemption.

**A**cept oh Lord Jesus our heartfelt love and thanks, for without Thy love we would be forever separated from Thee and the eternal life that Thou hast made available to us for a simple act of contrition and acceptance of Thy divine Will.

**N**urture us in Thy Omnipresent Word, for all things are subject to the Will of Thee who in Thy Omnipresence and omnipotent power created all life, thus we ask of Thee Thy redeeming and healing grace, that we may serve Thee.

**U**nveil to us Heavenly Father the understanding of Thy Omnipotent Will, for it is through Thy Will all things are manifest, there is nothing in heaven or earth that can exist without Thy Divine Sufferance for Only Thou art God.

**E**nhance our ability to act according to Thy Will oh Lord Jesus as only Thou art capable, for by Thy birth, life, suffering, death and glorious resurrection, Thou has garnered for mankind the grace of redemption and reconciliation so that mankind can gain eternal life in Thee.

**L**ord God of our redemption, Jesus, Son of the Living God of Creation, True God of existence, we Thy adopted children bow before Thee in humble adoration and supplication, thanking Thee for Thy love, sacrifice and mercy.
