

**J**ustified by Thy sacrifice, oh Son of God and infilled with Thy Healing and Redeeming grace, I now can say it is well with my soul.

**E**rrors of my making derived from the stain of original sin are erased, for with Thy sacrifice, Thou hast forgiven me my many transgressions.

**S**in entered the world through Adam and Eve's fall, reconciliation with Thee Father came from Jesus, Thy Son, our Lord, who lived, died and was resurrected for me.

**U**nderstanding that without Thy divine love and merciful intervention I am prone to be lost, I ask for Thy guiding sovereignty in my life..

**S**on of God, Jesus, to Thee I sing in joyful praise, for these are Thy days, the days of Thy redemptive and healing grace, Thou art my loving Sovereign Creator.
