

Justified by Thy redemptive grace, obtained by the horrific price Thou hast paid, I am reconciled with the Father, my Creator.

E mboldened by the infilling of Thy redemptive and healing grace, I am encouraged by Thee, Jesus, to face the formidable foe without trepidation.

S ecure in the knowledge that ultimately nothing can stand against Thy Divine Will, I can go forth proclaiming the truth of Thy eternal divinity, oh God.

U nfettered from the chains of sin by Thy redeeming grace I am made into a new man, freeborn into the family of God.

S aved by Thy love, reconciled to the Father by Thy sacrifice, I am freed to worship Thee as I ought to.
