

Obedience is a hard achievement without the grace of Christ's redemption, Father God fill me to overflowing with His grace.

Before I sleep, I pray Thee Lord, grant me the power to love others as You have loved me, aid me to always obey Thee.,

Enter my heart Lord, claim Thy rightful sovereignty in me, that I may obey Thy will loving my neighbor as Thou love me.

You are the cornerstone of life itself, grant me the ability to obey Thy Will Lord God, for without Thee I shall surely fall.
