

Praise the Father, praise The Son, praise the Holy Spirit, we render all praise and glory to the Three in One.

Raising our voices in joyful refrain, we glorify Thee, the Omnipotent and Omnipresent Three in One.

All things are possible for by Thy suffering, death and resurrection, Jesus Thou gained for me, eternal life in Thee.

Infuse me with Thy redeeming and healing grace, so that I become one with Thee in grace, oh Heavenly Father.

Suspend, oh Lord, my tendency to stray away from Thy tenets, instill in me a hunger for Thy Word.

Encourage me, oh Holy Spirit, as only Thou can, that I may serve Thy Will as Jesus commanded.

Take away from me, my tendencies to vainglory and spiritual self destruction, oh Heavenly Father.

Hear me Lord Jesus, as I cry out in supplication, for I am in sore need of Thy presence in my life.

Employ me in Thy service Lord Heavenly Father, mold me according to Thy omnipresent and omnipotent Will.

Take this faulty vessel of clay Lord Jesus, break it down again and rebuild me according to Thy Divine Will.

Hear me, oh Heavenly Father, comfort me oh Holy Spirit, so that I may faithfully follow my Lord Jesus Christ.

Redeem me, oh Son of God, grant that Thy Holy Spirit will come in divine sovereignty and dwell within me.

Employ me Lord Jesus Christ in Thy service with the ability to love my enemies as Thou hast loved me.

Enable me, Lord Jesus, to render Thy compassion to my enemies as Thou hast so often given me.

Incredible as it seems in the eyes of all mankind, Jesus, Son of God, Thou gavest Thy life for me.

Nations, however mighty, in reality are powerless compared to Thy omnipotent power, oh God, my Creator.

Oh God of creation, Thou art triumvirate in nature, always omnipotent and omnipresent in nature.

Name of names, Jesus Christ, I become triumphant when in Thy grace, for when Thou art with me I am formidable.

Elohim's Son, Jesus, Thou art my every breath, especially when Thy Holy Spirit is within me for then I am truly empowered.
