

Unless I use the talents Thou hast given me in Thy Name Lord Jesus, surely like them, I shall eventually be lost to Thee.

Seeing the majesty of Thy creations, I am, though insignificant, emboldened to praise and glorify Thy Holy Name.

Elohim, grant me Thy Son's redeeming grace, for without His intervention I surely would be eternally lost to Thee.

Grant me the wisdom to use my talents according to Thy Will and not waste them, so I glorify Thee in all that I may do.

Once I was lost in the depths of Iniquity's kingdom, now I am, by faith, guided by Thee to the Father's heavenly throne.

Deny me nothing of Thy redeeming grace, that I may be reconciled to the Father and my deeds not be wasted.

Secure me in Thy Will, nurture me with Thy Word, that my talents always reflect Thy omnipotent and omnipresent Will.

Grant me Thy favor, Lord my God, let Thy Healing grace flow through me, so that Thy healing touch aid all who I may meet.

I am but Adam's child and as his child I am prone to sin, but with Thy glorious resurrection I am reconciled by Thee.

Father, there is nothing that I can offer Thee worthy of just or good report, but take me as I am and make me as I ought.

This is my plea oh Lord, take Thy rightful sovereignty over my life so that my gifts reflect Thee and are never used in vain.

Stand by me Lord, guide me in rightful sovereignty, for only then, can I be reunited with the Father and free in Thee.

Wonder of wonders, Son of God most high, grant me Thy healing and redeeming grace so that I live in Thee.

In Thee is my salvation, Lord, my every breath of life, for by Thy resurrection Thou has placed death to fearful flight.

Saved by the cruel price Thou paid on my sinful behalf, I am a newly reconciled creation more pleasing in Thy sight.

Eternal life's gifts are granted me, when I came into Thy service, for then my sins were forgiven by Thy divine decree.

Lord Yeshua, Thy love has lifted me from the grasp of eternal death to the bright heavenly fields of eternal life in Thee.

Yeshua, Thou art the flowing waters that cleansed my soul from sin, I gratefully call Thy Holy Spirit to come reside within.
