

My God, blessed are Thee the Maker of the universe both visible and invisible.

In Thee oh Maker of the universe is eternal life and all glory.

Thou art God from Whom all things are created and sustained

Zealous is the man who is righteous in his obedience to Thy sacred Word, oh God.

Voice elevated in prayer, praising Thy Holy Name, we glorify Thee oh God.

All things, both visible and invisible are justly made to glorify Thee oh God,

Holy is Thy name oh God, and blessed are those who recognize Thy authority.
