

These are the truth as Christ has stated when once He walked upon this earth.

Unless one is born again of the Holy Spirit, like a child, one is lost.

Redemption can not be achieved without first seeking His intervention.

Note: all who turn away a child will find themselves turned away.

Note that if you lead one child astray, you shall pay heavily for it.

Our Lord has stated that if you deny a child, you deny Him.

Take heed and deny no one the right to approach the Lord, it is not for you to say.

Offer what you can to others, when you do for them you are doing for Him.

Nurture all who come to Him, and lead not one astray.

Efforts on behalf of others will counted as if it were done for Him.

Almighty God will look upon the errant harm done to a child with acute disfavor.

We are warned, that any harm done to a child will result in grave consequences

All children are considered special in His eyes and not one is to be turned away.

Yield yourself to His Will with a child's faith and He will gather you in.
