

God:

**A**llows mankind the freedom to choose the direction of their lives and encourages man to achieve eternal life with Him in heaven through His Son Jesus.

**M**iracles are constantly being created for those who chose God's sovereignty in their lives, for each breath of life is a miracle in action created by God.

**E**ternal life and the surety of a place with God in heaven is granted to those who acknowledge the sovereignty of Jesus Christ in their lives.

**M**urtured by Christ's Word , empowered by His healing and redeeming grace, we are made new, born again and reconciled with our Heavenly Father.
