

HELP THE UKRAINE

Heavenly Father, the wolves are at the door, and the door is fast breaking, save us.
Each day, more innocents are made to suffer even unto death, gather them in Your arms..
Lamb of God, You who taketh away the sins of the world grant us Your peace.
Protect this nation from those who would devour it, for they are formidable.

Take us under Your care, that we may regain our faith in your protection
Holy Spirit, we ask that you take up Your residence in our hearts.
Elohim, in Your hands all things are possible, bless this nation in our hour of need.

Understanding our needs, desires and fears we know that all things are in Your control.
Keept us, oh God, in the palm of Your hand, for all things are possible through You.
Redeemer Lord, we come to You asking for Your intervention on our behalf today.
Almighty God, we ask your blessings in this time of trail, defend us from all evil.
In this war, we implore Thee, forgive us our transgressions as we forgive our enemies.
Now and in the hour of our deaths, be it according to Thy will, be with us.
Elohim, grant us peace and the security of Your blessings save our homes.

HELP THE UKRAINE

Hear us, oh Lord, in this the hour of our need.
Enemies have invaded our homeland, our people, our children are sore oppressed.
Lives have been lost, for the wolves are devouring our people in their greed.
People who want naught but to live their lives in peace are driven from their homes.

Today the lives of many have been disrupted, and many lives have been lost.
Holy Spirit, in You is the power of life, for without You there is no life at all.
Elohim, restore the ill and the wounded to health for the enemy has created many.

Unburden us, oh Lord, from the yoke of war, bring us your peace.
King of kings bring forth your Heavenly Hosts to protect us from the invader.
Restore our souls, reform our hearts into instruments of Your will.
Accept our humble supplications along with our praise we ask You Jesus.
In You, oh Lord resides the redemption and safety of all mankind, grant us Your grace.
Now hear our prayer, grant us eternal salvation with You according to Thy will.
Emmanuel, we ask the gift of Your presence, grace and eternal life with You.
